

## FAKRA Connector Assembly & Crimping Machine (Single-end) **RSA-Fakra-01S**

### Feature

- ▶ Deep integration of automation, informatization, and intelligent manufacturing.
- ▶ Automatic testing, stripping, assembly, crimping, checking, and AIO vision inspection all in one machine.
- ▶ Shortened machine adjusting and delivery lead times, customers benefit quickly.
- ▶ Highly flexible system with rapid changeover capability.

### Specification

Model	RSA-Fakra-01S
Cutting Length	150–5000 mm (coiling required for lengths exceeding 1000 mm)
Wire O.D.	φ2.8mm-φ3.2mm
Stripping Length	15mm
Productivity	800-900pcs/h
Cycle Time	4-4.5s (each station)
Yield	≥98%
Power	5000W
Voltage	AC220V 50HZ (single phase)
Air Source	More than 0.5Mpa
Weight	1500KG (Floor load capacity shall be not less than 0.5 t/m <sup>2</sup> )
Dimension	L6000mm×W1400mm×H2300mm
