

Corrugated Tube Cutting Station

RSE-COT-100

Feature

- ▶ Special design for the round shape and corrugated tube cutting.
- ▶ Splitting function is applicable.
- ▶ Controlled by PLC, integrated by Chinese and English operation interface.
- ▶ Apot NT cutter ,much more cost-effective.Itegrated with tube feeding system, much more convinient and space saving.

Specification

Model	RSE-COT-100
Control system	PLC + HMI
Cut Off Way	Cylinder cut off
Stroke	30mm
Voltage	220V 50-60HZ
Power	200W
Tube O.D.	Φ1-Φ25mm
Accuracy Length	cutting length +0.5+L*0.002mm
Cutting Speed	10-60 pcs/min (depends on the cutting length)
Weight	70KG
Dimension	570x490x460mm
