Feature

- Dual trigger modes: foot pedal & sensor automatic banding, up to 12 cycles/min.
- Large ring aperture for long & bulky products, max strap width: 50 mm.
- Glue-free hot melt sealing, adjustable tension, low consumable cost.
- 220V low-power (120W) operation, mobile caster design.
- Wide compatibility: profiles, wire harnesses, cartons & woodwork.

Specification

Model	RSE-FWM-150
Banding Speed	12 cycles/min (3-loop mode)
Banding Mode	Foot Pedal / Sensor Trigger
Bundling Range	Max.400×300 / Min.100×10
Power Type	Electric
Voltage & Frequency	220V, 50/60Hz
Machine Power	120W
Band Width	50 mm
Net Weight	48 kg
Overall Dimension	82×51.5×133.5 mm
