

Pneumatic Shield Cable Stripping Machine

RSE-WS-200

Feature

- ▶ Adopt PLC Control, All processing parameters can be set on HMI.
- ▶ Special for big size cable with long stripping length.
- ▶ Rotation insulation stripping way to guarantee the smooth cutting edge without hurt of conductor.

Specification

Model	RSE-WS-200
Control system	Dedicated controller
Stripping Method	Rotary
Stroke	0-200mm
Stripping Length Tolerance	±0.2
OD Of The Cable.	ø10-ø25mm
Speed	20-40pcs/min
Air pressure	0.5-0.7Mpa
Power	200W
Voltage	220V 50-60HZ
Weight	91KG
Dimension	1000x450x350mm
