

Cable Coiling Collecting Machine

RSM-WCM-S500

Feature

- ▶ The cable collector can work with wire stripping machine.
- ▶ Automatic safety cover opens automatically after processing to protect the operator.

Specification

Model	RSM-WCM-S500
Suitable Cable	Wires; cables; PVC
Coil Length	Max.2000-3000mm (depends on cable O.D. and dial capacity)
Coil I.D.	120-250mm
Coil O.D.	Max. 460mm
Speed	Automatically match the wire stripper speed
Driving Mode	Servo motor, speed adaptive, speed ratio adjustable
Safety Door	Standard (Pneumatic/Automatic)
Weight	55KG
Dimension	L650mm×W620mm×H1270mm
