

Cable Feeding Machine

RSM-WF-660S

Feature

- ▶ Work with RS full-automatic coaxial cable stripping machine RSM-CCS-9800.
- ▶ It can automatically adjust the cable feeding speed by sensing the cable stripping speed.
- ▶ Especially excellent in feeding flexible cables.

Specification

Model	RSM-WF-660S
Applicable Cable Stripping Machine	RSM-CCS-9800 (other pairing machines depends on their wire reel weight and spool type)
Wire O.D.	0.6-5mm
Feeding Speed	2.5m/s
Voltage	220V/50HZ (single phase)
Weight	40KG
Dimension	L830mm*W550mm*H950mm
